A Message from Debbie:

Dear Friends,

This Sunday is Pentecost Sunday and Christians often describe Pentecost as the Church's birthday, when the Holy Spirit was poured out on those first disciples - ordinary, everyday people. The disciples were filled with joy, courage and new life; through the Holy Spirit those first disciples were given new hope and purpose, and today we celebrate the Holy Spirit's presence, power and vision. At Pentecost we welcome the Holy Spirit into our hearts and lives.

Our call as Christians is to preach the Gospel to the world in a language that people can understand. So may we nurture the Holy Spirit within us, bear fruit, and pray to be refreshed in order to bless and reflect the love of God in Jesus Christ with all who we meet.

(Romans 15:13)

God bless. Love, Debbie
